BENEFITS

Exciting new items that will stir up interest

Priced to be competitive with all major national brands

Spring Valley brand selections are dually marketable – sell to kosher and non-kosher customers. Satisfies “dual needs” accounts (ie: national chain hotels with kosher clientele).

Reduced labor costs – no prepping necessary. Ready to serve in minutes.

Hors d’oeuvres are quick frozen and then packed for easy individual removal.

Manufactured in a 60,000 square foot USDA Inspected plant.

AIB Third-party independent facility audit rating of “superior” in January 2008
